Foreword

This manual presents the functionalities of the BT6730 type scoreboards: description of each display according to the sport practiced (list of the main sports played with one or more BT6730 scoreboards).

The use of these scoreboards is carried out from the Scorepad: refer to the the product manual.

Important

Use the Euroleague program only for the Euroleague Basketball matches and only with a BT6008 shot clock (the BT6002C shot clock does not display to the 1/10 of a second).

**Information about the operation of the keyboards in HF radio:
in order to limit disruptions due to 4G network we recommend that the mobile phones be kept away from the keyboards.**
